

Prompting exercise

Round 1: Summary	Round 2: Add focus	Round 3: Role & Purpose	Round 4: Format & Analysis	Round 5: Comparative Context
Prompt 1 Summarize this contract. Output A generic overview	Prompt 2 Summarize this contract in 10 bullet points, focusing on payment terms, termination, confidentiality, and liability. Output Clearer summary, but still flat.	Prompt 3 Summarize this contract in 10 bullet points for the legal operations team. Highlight financial obligations, renewal triggers, risk clauses, and any terms that deviate from industry norms. Output A more insightful, role-specific summary	Prompt 4 Create a risk matrix from this contract with three columns: Clause, Risk Level (high/medium/low), and Recommended Next Step. Focus on payment, indemnification, limitation of liability, and termination. Output Structured, actionable deliverable.	Prompt 5 Review this contract against our standard playbook. Flag deviations in payment terms, liability caps, indemnity scope, and termination rights. Use a red/amber/green rating system and provide suggested fallback language. Output Practical, comparative analysis
